- Mrs. KVS Gayathri suggested introducing more career counseling sessions for final-year students. The Committee agreed and proposed inviting industry experts for career talks and workshops.
- Industry Expert questions about the curriculum and he says the curriculum seems to focus heavily on theoretical knowledge. How does the institute ensure graduates are prepared with the practical skills required by the industry? The Principal Dr. PVN Reddy has replied that we are actively working to bridge the theory-practice gap by incorporating project-based learning, internships, and guest lectures from industry professionals into our curriculum. We are also exploring the possibility of establishing industry partnerships to provide students with real-world project experiences.
- During the meeting, industry experts inquired about the college's schedule and occurrence of technical events. In response, the IQAC coordinator provided an explanation of the annual national symposium, a student-organized tech fest held yearly by the college. The committee subsequently granted approval for the upcoming technical symposium to proceed.

The meeting concluded with a vote of thanks to the chair. The IQAC coordinator thanked all the members for attending the meeting.
