

INSTITUTIONAL DISTINCTIVENESS

FOSTERING INNOVATION AND ENTREPRENEURSHIP **EXCELLENCE**

At RSREC, the commitment to fostering innovation and entrepreneurship is a cornerstone of institutional distinctiveness. Through its active Institution Innovation Council (IIC), the institution has established itself as a dynamic hub for creativity, innovation, and entrepreneurial growth. This distinction has been achieved through meticulous planning, relentless efforts, and a steadfast dedication to creating a supportive ecosystem that nurtures talent and ideas.

Overview of Activities

During the academic year 2023-2024, the IIC spearheaded numerous initiatives aimed at promoting innovation, entrepreneurship, and intellectual property (IP) literacy. A total of 47 activities were submitted for the prestigious IIC star rating, categorized as follows:

- 18 IIC Calendar Activities: These activities aligned with IIC's prescribed framework and emphasized the integration of innovation in various domains.
- 16 Celebration Activities: Events commemorating significant milestones in innovation and entrepreneurship.
- 7 MIC-Driven Activities: Programs initiated by the Ministry of Education's Innovation Cell (MIC) to promote entrepreneurial culture.
- 9 Self-Driven Activities: Tailored events designed by the institution to address local and industry-specific challenges.

RAMIREDDY SUBBARAMI REDDY ENGINEERING COLLEGE

(Autonomous)

Accredited with 'A' Grade by NAAC | Approved by AICTE | Affiliated to JNTUA
Recognized by UGC under section 2(f) of UGC Act, 1956 | An ISO Certified Institution
NH-16, Kadanuthala (V), Bogole (M), Kavali – 524 142, SPSR Nellore Dt., A.P, INDIA.

These diverse initiatives reflect the institute's multi-dimensional approach to innovation and entrepreneurship.

Core Focus Areas

The IIC activities diverge from traditional academic curriculum by placing an unyielding emphasis on:

1. **Innovation and Start-Up Culture:** Encouraging students and faculty to think beyond conventional solutions and design creative, impactful prototypes.
2. **Entrepreneurial Mindset:** Building confidence among participants to ideate, develop, and commercialize their ventures.
3. **Industry Interface:** Hosting interactive sessions with industry leaders to bridge the gap between academia and industry.
4. **Skill Development:** Organizing workshops and training programs on emerging technologies, entrepreneurial skills, and IP awareness.

Impact and Outcomes

1. **Enhanced Innovation Ecosystem:** With structured support and resources, the institution has become a breeding ground for novel ideas and impactful projects.
2. **Entrepreneurial Success Stories:** Several start-ups incubated at RSREC have gained recognition, reflecting the institution's ability to turn ideas into viable businesses.
3. **Skill Enhancement:** Students and faculty have gained cutting-edge skills, enabling them to stay competitive in a fast-evolving global landscape.
4. **Recognition and Ratings:** The submission of 47 activities for the IIC 6.0 star rating underscores the institution's dedication to meeting and exceeding national benchmarks for innovation excellence.

Institutional Commitment

Through its focus on fostering an entrepreneurial culture, RSREC ensures that students and faculty are equipped to address real-world challenges innovatively. By prioritizing start-up culture, intellectual property creation, and industry engagement, the institution not only prepares students for successful careers but also contributes to the nation's innovation ecosystem.

The unwavering spirit of teamwork and the consistent efforts of the IIC make RSREC a beacon of excellence in innovation and entrepreneurship, carving a unique identity in the educational landscape.

A About IIC Institute

Strategic Highlights (History of IIC Institute)

- Ramireddy Subbarami Reddy Engineering College (RSREC) was established in the academic year 2008-09 under the aegis of Ramireddy Subbarami Reddy Educational Trust, Kavali.
- The Institute was approved by AICTE and Affiliated to JNTU with an intake of 240 in four UG Courses in Engineering & Technology.
- At present RSREC offers 5 B.Tech. Programs with an intake of 420 (AY: 2023-2024) and a PG program (MBA) with an intake of 60.
- RSREC envisages comprehensive development of the students and offers qualitative, enduring, enriching, educational experience making it a dynamic hub of academic excellence, vibrant with inventive and innovative practices and teaching-learning strategies.
- The College is situated in an eco-friendly campus of 11.85 acres with thick greenery at Kadanuthala, Bogole Mandal, SPSR Nellore District, Andhra Pradesh. The College is 15 km away from Kavali town towards Nellore on N.H.16 (Kolkata-Chennai highway). The College is 40 km away from Nellore city.

Establishment of IIC at RSREC and Its Journey:

Vision of IIC established at the Institute:

“To generate and reinforce the culture of innovation amongst rural youth whose initiatives produce entrepreneurial values towards Nation Building”.

Mission of IIC established at the Institute:

1. To teach, empower rural youth, and lead them towards innovation.
2. To nurture talents that transform, create, and innovate knowledge.

Academic Year (AY): 2021-2022

- The Institution's Innovation Council (IIC) of RSREC was established in the year 2021 with the initiatives taken by Honorable Principal and Head of the Institution, Late. Dr. Appala Sreenivasa Rao. The IIC Id is: IC202115699.
- The first President of IIC in the institute was, Dr. C. V. Subba Reddy, Professor in Mechanical Engineering Department.

- The Certificate of establishment is as shown under:

- Awarded with 1 Star rating during this AY 2021-2022:

Academic Year (AY): 2022-2023

- With the same spirit of 1 star rating in IIC, the journey continued in the AY: 2022-2023.
- Mr. Jagadeesh Kasi, IQAC Coordinator and Assistant Professor (Senior Grade) in Civil Engineering Department was appointed as the president of IIC to supervise the IIC Activities
- The IIC of RSREC conducted various IIC activities and submitted reports to Innovation cell within prescribed time.

- Submitted a total of 47 Activities for which the institute secured 3.5 star rating. The ratings certificate is as shown under:

- This really served as a milestone for the institute in the entire region of SPSR Nellore district under JNTUA affiliated Institutions. A Big Achievement!

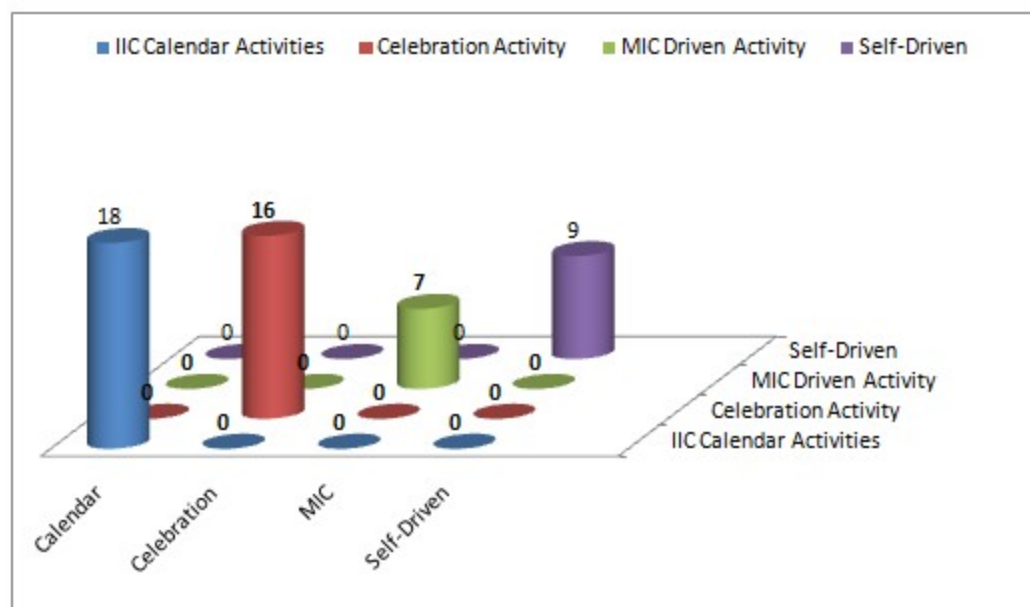

Academic Year (AY): 2023-2024

- The tireless efforts and teamwork spirit continued even in this academic year.
- A total of 47 activities were submitted for IIC 6.0 star rating among which:
 - a) 18 Activities under: IIC Calendar Activity Category
 - b) 16 Activities under: Celebration Activity Category
 - c) 7 Activities under: MIC Driven Activity Category
 - d) 9 Activities under: Celebration Activity Category

Diversified Representation of the IIC RSREC from Industry, Interdisciplinary & Departments / Units etc.

- The IIC Setup at the Institute and its activities are totally different from the curriculum aspects followed in the institution.
- The main focus of activities is only on Innovations, Entrepreneurships, Start-Ups.
- Industry Interface and Skill Development Activities were organized and conducted.

Below Chart shows the activities conducted by IIC of RSREC for the AY: 2023-2024 in its four Quarters:

A Total of **50** Activities was conducted by the institute and uploaded the same in the IIC Portal.

B Key Functionaries at the IIC Institute

The IIC of RSREC conducts quarterly meetings with its members and the following constitute the Members (Functionaries of IIC). Below is an updated list of IIC Members as on August 2024 (End of Quarter-4).

S.No	Name of the Member	Key Role / Position Assigned in IIC	Photograph
1	Dr. P. Veera Narayana Reddy	Principal & HOI	
2	Dr. B. Satya Narayana Reddy	President	
3	Mr. Jagadeesh Kasi	Vice-President, ARIIA & NISP Coordinator	
4	Mr. Ezra Sadepalli	Convener & NIRF Coordinator	

S.No	Name of the Member	Key Role / Position Assigned in IIC	Photograph

D Facilities, Infrastructure of Pre-Incubation & Incubation kind & Student bodies / clubs for promoting innovation and entrepreneurship in the campus

Facilities & Infrastructure

Innovation centric student clubs were setup in the institute. The clubs act as work stations for students with facilities and equipment available to promote Innovation, Entrepreneurship and IPR activities in campus.

Student Bodies / Clubs

The following student clubs were setup in the institute for each branch:

S.No	Name of the Student Club	Type of Club	Types of Facilities	Year of Establishment	Student Club Team Lead Name
1	ELEA	Innovation Club	Co-working Space	2010	SK Abdul Kareem
2	PROFESSIONAL PIRATES	Idea Club	Co-working Space	2012	M Mahithasree
3	MECHA ROBOTS	Innovation Club	Co-working Space	2012	K Ajay Kumar
4	MASTER MINDS	Idea Club	Co-working Space	2014	U Prasanna Kumar
5	WORLD COMMUNICATORS	Innovation Club	Co-working Space	2012	P V Sai Yokshitha
6	CIVIL SPIRIT	Startup Club	Co-working Space	2012	M Jahnavi

Pre – Incubation / Incubation Facility

The institute has setup, Startup Cell & IoT Innovation Cell in order to support the Ideas, Innovations or Prototypes developed by the student. Innovation and Entrepreneurship were promoted through these cells. Motivation, Guidance & Support for participation in Internal Hackathon, SIHs, and YUKTI etc. were facilitated through these facilities.

Sr. No	Name of the Pre-Incubation Centre	Type of Facility	Year of Establishment	Type of Facilities Available at the Centre	Facility Details	Total no. of dedicated executive/ management team strength engaged at the facility
1	STARTUP CELL	Startup Cell	2019	Co-Working Space	Facility In-charge: Mr. V. Suneel Reddy, HOD, ECE	15
2	IoT Innovation Cell	R & D	2024	Co-Working Space & Equipment	Facility In-charge: Dr. B. Satya Narayana Reddy, Asst. HOD, CE	05

E Achievements through IIC

Star Rating

For AY: 2021-2022:

The Institute secured a single star rating for the IIC activities carried out during the academic year 2021-2022.

For AY: 2022-2023:

The Institute secured a notable 3.5 star rating for the IIC activities carried out during the academic year 2022-2023. This is really a remarkable achievement in the history of our institute which stands as a replica of the hard work, commitment and dedication shown by the IIC towards its activities.

- No. of I & E and IPR Activities Conducted: **05**
- No. of Students & faculty ideas generated: **05**
- **TEAM NAME: GSVGHH**
- **TEAM NAME: SARMBL**
- **TEAM NAME: RS3DV**
- **TEAM NAME: M2V2N2**
- **TEAM NAME: AHSSRS**
- No. of Students & faculty innovations / prototypes developed: **05**
- No. of IPs generated, published and granted: 01

- Amount Spent on promotion and awareness generation on Innovation, Entrepreneurship in the campus: Rs. 85,000/- INR.
- Amount Grant or fund supported to student & faculty lead innovations, start-ups and IPR: Rs. 35,000/- INR.

ATL School Linkage

Below table shows the ATL Schools linked with IIC of RSREC:

Outreach / Innovation Programs were conducted in the schools.

L Testimonials from IIC Members and External Members

Testimony of Principal & HOI Dr. P. Veera Narayana Reddy:

I, the Principal of this institute feel elated for being a part of the Institution's Innovation Council (IIC) of our institute. Since the inception in 2021-2022, the IIC is actively participating in various activities. For the previous academic year, we secured a single star rating in IIC. Hope that this is a good achievement in the beginning of our IIC's Journey. For the Academic year, 2022-2023, the Council members are working wholeheartedly for the fulfillment of the tasks given by MoE's Innovation Cell and our institute secured 3.5 star rating which is more than the previous year star rating. At this point of view, I congratulate all the IIC members and the supporters of IIC. I expect to increase the star rating and innovation culture of the institute.

Testimony of the President Dr. B. Satya Narayana Reddy

I, Dr. B. Satya Narayana Reddy, the President of IIC feel elated to share with you the past achievement of 3.5 star rating in IIC in the AY: 2022-2023. To foster the culture of Innovation, our institute started its journey with IIC and conducted various innovative programs that help the students nourish, enrich and excel in their creativity and thinking. I personally thank the members of IIC and the management for their continuous encouragement and support. Looking a step forward this AY: 2023-2024 faced a lot of obstacles in IIC but still managed all the events with the support of the Principal and HOI and the IIC Team Members. Sincere thanks to the convener of IIC.

Testimony of the Vice President Dr. Jagadeesh. Kasi

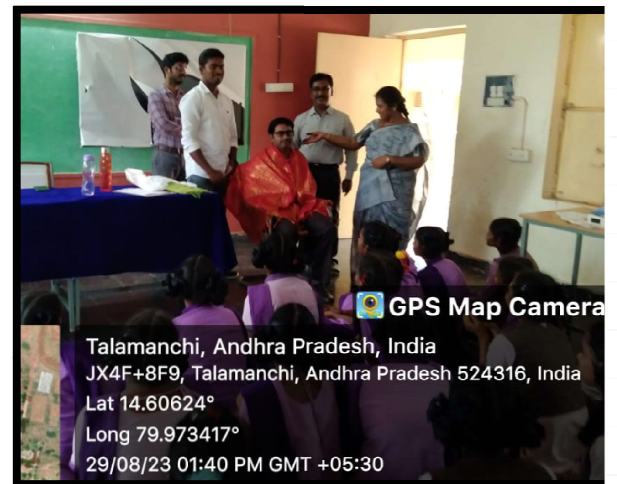

Our Institution Innovation Council plays a pivotal role in nurturing a culture of innovation and entrepreneurship among our students, faculty, and stake holders. In today's rapidly changing world, innovation is not just a buzzword; it's a necessity for survival and growth. It is the driving force behind progress and the key to staying relevant in an ever-evolving landscape. As we move forward, I want to emphasize the importance of our collective mission. The world is facing unprecedented challenges, from global health crises to climate change and technological disruptions. However, these challenges also present us with countless opportunities to make a positive impact. It is our responsibility to equip our students with the skills and mind-set needed to tackle these challenges head-on and drive meaningful change. I encourage each and every one of you to embrace innovation not only as a means to address problems but also as a way to continuously improve our educational and research processes. Let us strive to create an environment where ideas flow freely, where collaboration is second nature, and where failure is seen as a valuable stepping stone on the path to success.

In the Academic year 2023-24, we have exciting events conducted with IIC. We have organized Idea contest, hackathons, innovation challenges, and workshops to nurture creativity and entrepreneurship. We have also strengthened our partnerships with industry leaders and start-ups to provide our students with real-world experiences and opportunities for mentorship.

I thank all members of the Institution Innovation Council for actively participating and contributed your unique perspectives and expertise to our initiatives. Remember that innovation knows no boundaries, and the most ground-breaking ideas often emerge from unexpected sources. I am confident that together, we make this year a milestone in our journey towards fostering innovation and excellence in our institution. Let us embrace change, learn from our experiences, and inspire the next generation of innovators. Together, we can create a brighter future for our institution and society at large.

Date: 29-11-2023

From

Dr. B. Satya Narayana Reddy,
IIC President,
Ramireddy Subbarami Reddy Engineering College,
Kadanuthala, Nellore, Andhra Pradesh- 524 142.

To

Mr. Shaik Fareed Basha,
Manager at CANTERCADD,
Nellore.

Sub: Invitation to be a Resource Person for the session on “Workshop on Entrepreneurship and Innovation as Career Opportunity”

Respected Sir

I hope this letter finds you well. On behalf of IIC at Ramireddy Subbarami Reddy Engineering College, I am writing to cordially invite you to be a resource person for the session on “Workshop on Entrepreneurship and Innovation as Career Opportunity”. The session is scheduled to take place on 29th November 2023 at our campus.

As a leading as Business Development Manager with a demonstrated history of working in the education management industry your valuable insights and expertise in the field will undoubtedly enrich the learning experience of our students. We believe that your practical experience motivates our participants towards Entrepreneurship

The session aims to provide students with Interpersonal skills & Entrepreneurship, Critical & creative thinking skills and practical entrepreneurial skills & knowledge

We kindly request you to consider this invitation and honor us with your esteemed presence at the session. Your participation will be highly valued and appreciated by our faculty and students. We are committed to providing you with all the necessary support and resources to ensure a smooth and productive session.

Please let us know your availability and any specific requirements you may have for your session.

Kindly confirm your participation at your earliest convenience, and we will be glad to make all the necessary arrangements accordingly. Thank you for considering our invitation. We eagerly await your positive response and look forward to welcoming you to our institution for this enriching event.

Yours sincerely,

B. S. R.

7. Judges Photos and details

Dr. P. V. N Reddy

Prof. P.V.N. Reddy has over 30 years of Teaching Experience. He feels that he is first a Teacher then an Administrator. He did his B.Tech degree from KSRM College of Engineering and M.Tech from JNTUA College of Engineering in Electronics and Communication Engineering.

He was conferred with Ph.D degree from JNTU Kakinada for his extensive research on “Digital Image Processing”. He began his teaching career as Lecturer and successfully justified to his duties as an Assistant Professor, Associate Professor, HOD and Professor in the Faculty of ECE at various reputed Engineering colleges of Rayalaseema region. He has a credit of authoring books on Communication System and Industrial Electronics for Polytechnic students along with articles published more than 25 in both National and International conferences.

He is a prolific researcher and his areas of interest in Research are Digital Image Processing, Digital Signal Processing and Wireless Communication. He is currently guiding 6 Ph.D research scholars. He is the life member of MISTE and an annual member of IEEE.

NH-16, Kadanuthala (V), Bogole (M), Kavali – 524 142, SPSR Nellore Dt., A.P, INDIA.

Dr. N. Krishna Chaitanya

Dr. N. Krishna Chaitanya, currently working as a Professor in ECE at RSR Engineering College, Kavali and he has 21 years of teaching experience. He received his Ph.D. degree from JNT University Kakinada, India.

He has published more than 50 articles in reputed International Journals, book chapters and international conferences. He authored 4 textbooks and 3 patent grants. He is a reviewer, Associate Editor and editor for Scopus Journals and SCI journals like Springer, Elsevier, IGI Global, and Wiley. He attended more than 25 workshops/training programs. He is a member in various technical forums like ISTE, IAENG, SCIEI, IACSIT and SDIWC. He guided more than 30 PG and 60 UG projects. His research areas include Computer Networks, Internet of Things, Wireless Communication, Network security and Image Processing.

Dr. B. Satya Narayana Reddy

Dr. B. Satya Narayana Reddy, Assistant Professor of Civil Engineering and R&D Coordinator of Ramireddy Subbarami Reddy Engineering College, Kavali, AP. After completion of M. Tech, he joined as site engineer at Vinyaas Project Pvt. Ltd and later joined as assistant professor in GRIET Hyderabad. During his teaching career, he got an opportunity to join a full time PhD at NIT Calicut and completed his doctoral degree. Right now, continuing teaching profession as his career. During his career, he has published 5 International journal papers, 2 book chapters and 1 patent. He has participated in 4 International Conferences and 13 workshops.

Dr. P. Dileepkumar 	Dr. Dileepkumar Padidem presently working as Professor in Department of CSE in Ramireddy Subbarami Reddy Engineering College, Kavali, AP. He had awarded Ph.D (CSE) in Web mining from Bharath University, Chennai in the year 2018. He had Completed M.Tech (CSE) in Bharath University in the year 2009. He had completed B.Tech (IT) in Narayana Engineering College, Nellore in the year 2006. He had 14 years of experience in teaching. He had published 12 International Journal Papers and he had published 4 Indian Patents and registered 1 UK Patent Design and Published 1 book.
Mr. K. V. Prasad Reddy 	Mr. K. V. Prasad Reddy, working as Associate Professor in the department of Artificial Intelligence and Data Science at Ramireddy Subbarami Reddy Engineering College, Kavali, AP. His area of interest are Design and Analysis of Algorithms, C and Data structures, Cryptography and Network Security, Data mining and Warehousing, Programming in Python and etc. He is a member of ISTE. He has published 4 national journal papers and 8 international journal papers

IIC OF RSREC WELCOMES YOU

Speaker:

Dr. CH. Amarnatha Sarma,
Vice President, IIC, RSREC.

TOPIC: STUDENTS AS FUTURE ENTREPRENEURS AND NATION BUILDERS

VENUE: CR-208

TIME: 10:30AM (IST)

Principal & Head of the Institute
Dr. P. Veera Narayana Reddy

President
Dr. B. Satya Narayana Reddy

Convener
Mr. Ezra Sadepalli

Quarter-2 of IIC, RSREC

Theme	Innovation & Entrepreneurship
Activity Name	Organizing Innovation & Entrepreneurship Outreach Program in Schools / Community
Type of Activity	IIC Calendar Activity
Place	APTW Upgraded Residential Junior College, Girls (EMRJC), Chandrasekhara Puram, SPSR Nellore.
Mode of Conduct	Offline/Physical
Time/Duration	One Day (07-02-2024)
Mandatory/Elective	Mandatory
Participants (Online/Offline)	Students: 42 Faculty: 07
Speaker	Mrs. T. Vishnu Priya , Principal, EMRJC, CS Puram Dr. P. V. N. Reddy , Principal, RSREC.
Description	- To nurture the thinking capability and to nourish the thinking ability, creativity of budding students, a session was conducted by the IIC, RSREC at APTW Upgraded Residential Junior College, Girls (EMRJC), Chandrasekhara Puram, SPSR Nellore. - This school is one amongst the ATL Linked schools of IIC of RSREC. - The session is conducted to motivate the budding school students towards innovation and to develop their own and innovative exhibits. - Speaker (s) for the session were: Mrs. T. Vishnu Priya, Principal, EMRJC, CS Puram and Dr. P. V. N. Reddy, Principal, RSREC. - First Speaker in her words explained: How to make a design and how to make it Innovative. - Next Speaker, wanted our country to be Innovative and he suggested the students to flourish their innovative thoughts and to get patented for them.
