FEEDBACK ACTION TAKEN REPORT

Feedback assessments with suggestions will strengthen and help in achieving the vision/goal of the institution. The following are the students, teaching faculty, alumni and employer constructive suggestion with reference to curriculum, syllabi, Teaching and learning along with action taken. The feedback collected is analyzed and sent it to the respective authorities for the actions.

I: Feedback from Students

Feedback	Action Taken
The online study material available with students was limited.	A vast amount of e-resources were created by teachers. These were made available on Google Drive/Classroom, and through online library facility.
Skill development and job oriented courses were requested	Awareness about other online platforms like NPTEL was generated.

II: Feedback from Teachers

Feedback	Action Taken
Teaching methods and teaching aids must be improved	ICT methods and smart boards were used for effective teaching. Computer center promoted (FOSS) Free Open Source Software to all services will provided in the campus to run web, mail, and MOODLE
Staff members can be allowed to attend FDP programs during the semester in premier institutions.	The management encouraged staff members to attend FDP Programs during semester based on the quality of the program.

III: Feedback from Alumni

Feedback	Action Taken
Preparation for Interviews –Aptitude Test, Group Discussions and Personal Interviews exposure is needed	Communication skills and soft skill trainings were given. Pre-placement trainings were given Mock interviews and tests were conducted
Training for how to effectively prepare for personal interview and group discussions during recruitment was suggested.	Trainings were arranged by the placement cell and communication skill and soft skill were strengthened. Activities that will enhance the communication skills of the students were encouraged

IV: Feedback from Employer

Feedback	Action Taken
Suggestion to enhance general communication skills	Teachers incorporated stress on the issues of improvement of communication skills of the students in their teaching of curriculum.
Organize training sessions on new teaching methods and upcoming subject areas	Organized faculty development programmers

ACTION TAKEN ON FEEDBACK REPORT

Ramireddy Subbarami Reddy Engineering College designs and collects feedback from the Students to monitor and evaluate its performance. The feedback provided is presented below:

Students feedback and action taken

Feedback	Action Taken	Impact
More guest lectures to be arranged in core subjects	Arranged	Enriched their knowledge in core subjects
Library hours to be extended Beyond college hours	Extended	Effectively utilized resources
Wi-Fi connectivity to be provided to hostels	Provided	Aided in overall development

Teachers feedback and action taken

Feedback	Action Taken	Impact
Support to be increased for updating qualifications	Academic leaves were sanctioned	upgradation of qualification thereby improvement in imparting knowledge
Adequate funding to be provided for updating skills	Budget sanctioned	Financial support extended wherein the expertise in technical knowledge was enhanced
Departmental library requested	established	proficiency amplified

Alumni feedback and action taken

Feedback	Action Taken	Impact
Industrial requirements in VLSI domain to be trained	Trained in VLSI concepts	Placement augmented in core domain
Training & Placements to be improved	numerous trainings conducted	shoot up in placement

ACADEMIC YEAR 2021-2022

FEEDBACK ACTION TAKEN REPORT

Feedback assessments with suggestions will strengthen and help in achieving the vision/goal institution.

The following are the students, teaching faculty, alumni and employer constructive suggestions with reference to curriculum, syllabi, Teaching and learning along with action taken.

Student's feedback and action taken

Suggestions	Action taken	Impact
More experiments may be conducted using simulation tools	Vlab and other online simulation software's are used for easy understanding of students	Vlab links are provided for the students and are very interested for doing the experiments by using virtual lab.
Frequency of group discussions should be increased	Group discussions in the classes will be increased by arranging more number.	Students have a wide interest for participating in GD's and performed well by the slow learners also
Few students suggested that there should be smart learning environment	More of industrial visits and field visits are conducted now. Also teachers are asked to undertake more experiential teaching learning process.	Teachers are also using PowerPoint presentations for enhancing teaching learning experience

Teacher's feedback and action taken

Suggestions	Action taken	Impact
Participation of the students in live projects, debates, workshops be appreciated appropriately	This has been framed and implemented to support students' participation in debate, workshops.	Conducted the debates every weekend for all the classes. Students improved a lot compared to previous stage

E- Waste recycling must be encouraged	Students spread awareness about e waste among student community. recycling through community education prog and extension activities	Implemented in the college premises by collecting the e-waste
---------------------------------------	--	---

Alumini feedback and action taken

Suggestions	Action taken	Impact
More exposure to field visits	All the teachers were notified about the issue and they were encouraged to have more field visits as a part of their curriculum	Teachers paid more attention to have more field visits and thus gave exposure to students for field visits.

Employeers feedback and Action taken

Suggestions	Action taken	Impact
Suggestion to promote work environment for team work	Instructions were circulated to college through competent authority for addressing the issues suggested by the employers.	Teachers encouraged students to work in team and positive results of working in a team are visible
Suggestion to enhance general communication skills	Instructions were given for competent authority for addressing the issues suggested by the employers. Teachers were given instructions to ensure enhancement of communication skills of the students	Teachers incorporated stress on the issues of improvement of communication skills of the students in their teaching of curriculum

PvL

STUDENT FEEDBACK ANALYSIS AND ACTION TAKEN REPORT: -

ODD SEMESTER:

Feedback	Action taken
Facing problem in problematic papers	Suggested concern staff members to conduct more practice tests and give assignments as few of the students are facing problem.
