About the Department:

The Department of **HUMANITIES AND SCIENCES** has established in 2008. The H&S department offers courses in basic subjects like: Mathematics, Probability and Statistics, Engineering Physics, Engineering Chemistry, and English as Language for Communication. The H&S provides a conceptual base in basic sciences that form the foundation for engineering subjects. It provides training in soft skills, social skills, and communication skills. The H&S strongly acknowledge as the footing subject for all the branches of engineering discipline. The H&S aims at providing competitive quality of education and it supports the students to lay the basic profound foundation of information and knowledge to all the branches of engineering. The objective of the department is to make the students understand and aware of the importance of sciences and develop a natural elegance and interest towards engineering and technology. The precept of the department is to cater the formidable education to the students with the assistance of well-qualified, dedicated and highly motivated faculty members. The faculty of humanities and sciences, impart the best teaching methodologies to the students, which results to mold the students to competent and true professionals.

HOD'S MESSAGE

Dr. K. Lakshmi
HOD, H&S

I take delight in unveiling the inaugural issue of our department newsletter '**BLOSSOM**'. The elegance of this '**BLOSSOM**' is the result of the sincere effort of the editor. It is happiness unlimited to see **RSREC** Engineering College breaking barriers and moving forward confidently. The adage "Fortune favours the bold" is very true in the case of **RSREC**. All these things have been made possible by the extraordinary vision and the immaculate planning of our management, Principal, and coupled with the skills of the staff have made the college scale new highs. The '**BLOSSOM**' brings out the notable achievements of H&S Department. I am sure that through these pages readers will get a bird's eye view of H&S Department and its wonders. This newsletter reflects our commitment to sharing knowledge, fostering communication, collaboration and community within our department. Our department strives for excellence in academics, research, curricular and co-curricular activities. This initiative is a testament to our department's commitment to excellence and transparency. I am confident that this issue of departmental newsletter '**BLOSSOM**' will send a positive signal to the staff, students and the people who are interested in the Technical education and Technology based activities.

EDITOR'S MESSAGE

Dr. U. Rama Murthy
Associate Professor

Dear Readers,

It is indeed a great honour to be the Editor of the first issue of this newsletter '**BLOSSOM**'. The '**BLOSSOM**', I believe, will serve to reinforce the academic performance, timely awareness, improved interaction and integration among the students and faculty members. Moreover, the '**BLOSSOM**' as a medium can bring true acknowledgement and respect for all the achievements of the Department. The '**BLOSSOM**' upholds the positive spirits to strengthen our ties with our students, alumni, staff, parents, industries and patrons of the institute. It acts as an active communicator not only give information about activities on campus but also will educate, inform and motivate its readers on various issues of interest. It will also provide a platform to an individual to promulgate creative ideas. In this newsletter, have reported the significant achievements, activities and events held by the department for the last six months i.e, from January to June, 2024. I hope you will enjoy reading this issue!!!. On this juncture, I would like to thank our esteemed Management and Principal, Dr. P. VEERA NARAYANA REDDY and The dynamic administrator, HOD of H&S Department Dr. K. LAKSHMI for their constant support and encouragement for bringing out this, '**BLOSSOM**'.

LIGHTING OF THE LAMP BY DR. K. LAKSHMI, HOD, H&S, ACCOMPANIED BY THE PRINCIPAL AND THE CHIEF GUEST PROF. K. RAMAKRISHNA, DEAN, KL DEEMED TO BE UNIVERSITY.

PRAYER SONG BY STUDENTS

Introductory Remarks by Dr. K. Lakshmi, HOD, H&S

HOD has introduced the objectives and aims of the Workshop - NEP, 2020. She stressed the need of the Education policy to the students as well as the teaching fraternity in the present scenario. She stated that the policy aims to make education more flexible, multidisciplinary, and aligned with the needs of students. She wished that it would help the students to meet national and global challenges by developing cognitive skills and higher-order skills.

Chief-guest prof. k. Ramakrishna addressed the gathering

In his speech, highlighted some critical aspects related to reform in education, as suggested in New Education Policy 2020. He stated that NEP 2020 is a treasure of ideas which touches upon many core issues of educational concern. According to him, teachers in education are the backbone of the education system. He outlined the importance of Comprehensive learning of students. Next, he spoke about ensuring accountability and transparency in education. He recommended to have a certain mechanism to monitor the standards or the parameters as outline in NEP. He asserted some impediments in the implementation of the NEP 2020. He put forward some suggestions to make the useful implementation of the policy. He suggested that focus should be on quality teacher education. All the institutions of higher education should have their individual development plans (IDPs). Giving due importance on research is crucial at this juncture as both teaching and research are essential components of a quality Institution. He enlightened the faculty about the significance of OBE in attaining course outcomes through assessment and evaluation. He focused the six parameters of OBE as projected in Blooms Taxonomy. Lastly, while touching on the concerns of governance and leadership, he recommended that IDPs should be having a very crucial role on the individual level, departmental level, Institutional level and so on.

SavitriBaiPhule Jayanti celebrated at RSREC, Organized by the Women's Empowerment Cell (WEC), stood as a testament to a meaningful tribute to the illustrious SavitriBaiPhule. The event was characterized by a harmonious blend of engaging activities and insightful discussions, all centered around acknowledging SavitriBaiPhule's monumental contributions to women's education and empowerment.

Dr. Lakshmi, HOD, H&S addressed the students.

BLOSSOM

Madam started her speech with a famous African proverb that emphasizes the importance of educating women, “If you educate a man, you educate an individual, but if you educate a woman, you educate a nation.” is an African proverb that emphasizes the importance of educating women.” She stated that Phule stands as a beacon of hope and inspiration and broke social conventions. Her journey was fraught with challenges and became a trailblazer in the fields of social justice and education despite being born into a marginalized community in the 19th century. Madam opined that Phule’s tireless efforts to improve their social and economic conditions earned her the respect and admiration of many. One of Savitribai’s most significant contributions was her fight against child marriage, a practice that robbed young girls of their childhood and futures. Her writings and speeches were powerful tools for social change. Through her words, she challenged prevailing stereotypes and inspired others to join the fight for equality. At the end of her speech, Madam wished that Savitribai’s legacy, profound impact, and her memory should be continued to inspire generations.

PAYING TRIBUTE TO SAVITRI BAI PHULE BY STAFF AND STUDENTS.

MECHANICAL ENGINEERING
DATA ENGINEER, BANGALURU

I feel Fortunate to be a student of Ramireddy Subbarami Reddy Engineering College as it helped me to both on personal and professional front. It inculcated a lot of intra and interpersonal skills which helped me in all round development. Teaching by the senior faculty and the field exposure in my college life has helped me a lot in securing a good job. Personal care towards me by the faculty member has helped me in qualifying the competitive exams at national level. I thank the management of college for providing necessary materials and books in the library to face the competitive world.
